

Neha Sen

Cloud Architect | Contact: neha.sen@gmail.com

SKILLS

AWS, Cloud Security, Terraform, Kubernetes, Linux, Networking, System Architecture, Ansible

EXPERIENCE

Cloud Architect at CloudSys. Designed secure high-availability systems on AWS. Managed virtual networks, load balancers, and security groups. Drafted infrastructure configurations in Terraform. Directed migration of legacy servers to AWS cloud environments.

PROJECTS

Cloud Migration: Successfully moved 50+ services to AWS VPC. Multi-region Setup: Deployed terraform scripts for disaster recovery.

EDUCATION

B.Tech in Electronics & Communication, IIST, Graduated 2020
