

Vikram Singh

DevOps & Cloud Engineer | Contact: vikram.singh@gmail.com

SKILLS

Docker, Kubernetes, AWS, Git, Jenkins, Terraform, Ansible, Linux, Bash, CI/CD, Shell Scripting

EXPERIENCE

DevOps Architect at InfrastructureSys. Created CI/CD deployment pipelines using Jenkins and GitLab CI. Authored Terraform scripts to provision infrastructure as code on AWS. Maintained Kubernetes clusters in production. Automated software configurations using Ansible and Bash scripts.

PROJECTS

Zero-Downtime Pipeline: Integrated Kubernetes rolling updates. Infrastructure Automation: Standardized development envs with Docker Compose and terraform scripts.

EDUCATION

Bachelor of Technology in Information Technology, IIST, Graduated 2021
